

Easter is by far the greatest and most joyfull celebration of Orthodox Christianity. Easter in Greek is "Pascha"; the word derives for the Jewish word "Pasach", meaning "The Passage". For Christians all over the world, it signifies the resurretion of Christ and "The Passage" from death to Eternal life.

In order to prepare for Easter and the resurrection of Christ, Christians appoint themselves a 50 day lent known as the "Sarakosti". This is a special and eagerly appointed trial of body and spirit, signifying the need and desire of Christians to, in some way, share in the sacrifice of Jesus Christ for all humanity and to express their gratitude.

Easter and the Holy Week begin "the first Sunday after the full moon , on or after the Vernal Equinox". Friday and Saturday are the most important days of the Holy Week. Holy Friday signifies the day of culmination of the Passions of Christ along along with the "Pieta" and burial. The Church open its doors in the early hours of Christians to gather together in the decoration of "Epitafios", a symbol of Christ's tomb.

On Holy Saturday, Priests dress in white robes and scatter rose petals while chanting psalms in His Grace, preparing and awaiting the glorious news of Christ Resurrection. At midnight, when everyone has gathered at Church, the faithful celebrate our Lord Jesus Christ's resurrection. Priests of Orthodox Christianity share the Holy Light with Christians all over the world and chant "Christos Anesti" , passing the joyous message of Christ's Resurrection.

For this special event ,our staff has combined their skills and efforts, in order to produce a varied and entertaining program, which we are sure , will make this particular Easter special for each one of you.

Happy Easter!
